Re: 2024 Kennel License

Dear Ms. Rockstroh:

The Town Board of Koshkonong, at a properly noticed meeting with a quorum present on March 27, 2024, voted unanimously to not renew your kennel license for the year 2024.

This decision was made based on the fact that you are currently housing more dogs than would be allowed for a standard kennel license with the Town of Koshkonong.

An unannounced visit to your facility by the Town Chairperson Kim Cheney, Town Clerk Caitlin Kincannon and Jefferson County Sheriff's Deputy Pete Betanski on March 19, 2024 revealed that there were 30 dogs within the residence that were observed. The visit was conducted based on information received in the clerk's office and a report from the Wisconsin Department of Agriculture, Trade and Consumer Protection, in which violations were noted that included the number of dogs and unfavorable conditions.

If the number of dogs and/or conditions are remediated you may petition the Town Board to reconsider issuance of the kennel license.

Respectfully,

The Town Board of Koshkonong
